Fariba-Assadi Porter and Mahsa Ranji

Optical imaging of mitochondrial redox state in rodent models with 3-iodothyronamine

Experimental Biology and Medicine 2014; 239: 151–158

DOI: 10.1177/1535370213510252

Authors provided names as published when submitting their manuscript and made no corrections to proofs. They have now indicated that names should appear as:

Zahra Ghanian, Sepideh Maleki, Hannah Reiland, Daniel E Bütz, Grazia Chiellini,
Fariba M Assadi-Porter and Mahsa Ranji

Authors have also indicated that equal co-corresponding authors were to have been listed as:

Mahsa Ranji, Email: ranji@uwm.edu and Fariba M Assadi-Porter, Email: fariba.assadi-porter@ttu.edu
